### \* **New Garbage and Recycling Carts**

Each home will receive 2-96 gallon carts free of charge. One Brown (Garbage only) and one Green (Recycling only).

### \* **Weekly Garbage Collection**

Material in the brown (garbage) cart is picked up by automated trucks (driver does not get out of truck). All extra material is picked up by another truck. **Please put the garbage cart and extra garbage out Monday night or by 6:00 a.m. Tuesday morning.**

### \* **Weekly Recycle Collection**

While recycle is collected weekly, **we recommend putting out your cart when full.** Loose recycling must fit in the green (recycle) cart and is collected by automated trucks (driver does not get out of truck).
