

**VILLAGE OF FONTANA**  
NEW SINGLE STREAM RECYCLING  
**PLEASE USE BLUE BAGS**

Now you can put all recyclable items together in the BLUE bags. All the glass, plastic bottles, paper, and cardboard (broken down) can now be mixed in the blue bags. Johns has installed new equipment at the Whitewater facility that mechanically separates paper from bottles and cans. There is no need to tie your papers.

**IN THE BLUE BAG**

- |                         |                              |                      |
|-------------------------|------------------------------|----------------------|
| 1. Aluminum cans        | 5. Glass bottles/jars        | 9. All paper         |
